Hello 3rd Grade Family,

It's hard to believe, but it's almost March and March is **READING MONTH!**

I would like to personally invite you or a family member to participate in 3rd Grade's Annual Month of Mystery Readers. If someone other than a parent will be participating please let me know who it is, it is helpful for me to know who the Mystery Reader belongs to.

Shhhh....this is a SECRET, the class will NOT know who is coming or when, please help keep this fun for everyone.

The link below will take you to a [Sign-Up Genius](#) where you are encouraged to sign-up for **ONE** Mystery Reader time slot. My wish is for each student to have **ONE** special person (over the age of 16) from their life participate. I am asking that each student only have **ONE** person sign up initially, if we end up with extra slots I will then open it up for additional readers.

There will be an additional section to our Class Website for March is Reading Month, it will include a running list of books that Mystery Readers have shared with the class in hopes to limit repeat titles.

I simply ask that you email me 3 clues about the incoming mystery reader at least 24 hours ahead of time. Our class likes to be challenged so please don't make them too easy.

Stay tuned for more exciting March is Reading Month information to come. As always thank you for your continued support at home and feel free to email me any questions.

Many Blessings,
Mrs. Amanda Ulch
